Dorian Hrymajłło

Electrician's Helper / Electrical Installation Helper

> Hard-working, with a technical education. I hold the **Polish SEP G1 "E" electrical certificate (operation) incl. measurements** and have **about six months of renovation work, including electrical installations**. I am looking for a permanent job as an electrician's helper where I can keep developing under experienced installers. **I speak German** and can communicate with site managers and the crew.

EXPERIENCE

Renovation work, incl. electrical — **approx. 6 months**

Renovation of flats and rooms

- Assisting with electrical work: running cables, fitting boxes, sockets, switches and lighting (under an electrician's supervision).
- Preparing walls for installation: drilling, chasing, keeping the work area clean.
- General finishing work; operating power tools.

Own projects — **since 2024**

Independent technical work

- Running own technical projects end to end – independent and on schedule.

EDUCATION

Zachodniopomorska Szkoła Biznesu (West Pomeranian Business School), Szczecin — **2019 – 2023**

Engineer's degree (Inżynier), technical field (computer science)

ADDITIONAL INFORMATION

- SEP G1 "E" (operation) electrical certificate incl. measurements – Polish qualification.
- Willing to take further training (e.g. VCA).
- Available for overtime and rotation with trips home.

I consent to the processing of my personal data for the purposes of the recruitment process in accordance with Regulation (EU) 2016/679 (GDPR).
